Dear Sohaa Sudhaunshu,

Congratulations! You have met the requirements for admission to the Information Technology and Management master's program at The University of Texas at Dallas' Naveen Jindal School of Management for the Fall 2020 semester. We share your excitement as you begin this next stage in your educational career. Your program director, Mark Thouin (msitm@utdallas.edu), and academic advisors will be here to assist you with any questions or concerns you may have throughout the course of your program.

Please note that as a graduate student, you carry certain responsibilities that may not have been present in your undergraduate experience. Be aware of the information contained in the [Graduate Catalog](#), [JSOM Policies page](#), and on the [Academic Calendar](#). Failure to read them does not exempt you from the rules and regulations therein pertaining to your academic experience.

- As part of your degree program prerequisites, you will need to complete a one credit hour Professional Development course. Details on the course can be viewed on the Jindal School of Management [page](#).
- Plan time to visit the Advising Office to review the requirements of your degree plan and to remove your advising hold. Please try to plan several visits while you are a student.
- You will also receive information about the Jindal School of Management's Graduate Orientation program, please make it a priority to attend this important event.
- When you reach the final semester of degree plan requirements you must fill out a graduation application by the posted deadline of your graduating semester. Failure to apply for graduation by the applicable deadline will delay your graduation by a semester.

Our faculty and staff look forward to assisting you during your educational journey. We are confident that your experience at UT Dallas will include a welcoming environment, an intellectual challenge and a first-rate faculty in your field of study.

Sincerely,

Monica S. Powell, Ph.D.
