Sub: Grant of AICTE Approval for extension and restoration of intake for 2005-06 in the State of Maharashtra - The directions of the Hon'ble Bombay High Court in the W.P. No. 3916/2001

Please refer to your letter Ref MS 2005(328/05)TE-1 dated 28th June 2005 addressed to the Chairman AICTE on the above subject.

In this regard I am to bring to your notice that the Council has this year taken a policy decision to reduce seats in those institutions which suffered from an acute faculty shortage. The detailed policy of the Council in this regard is available on the official website www.aicte.ernet.in. While effecting this reduction, the Council, as a matter of policy, has given the institutions in all States a fair opportunity to rectify the deficiency of faculty by way of recruitments and apply for restoration by 7th July, 2005.

In accordance with the above policy decision, institutions from various States have applied for restoration after having recruited the requisite faculty. The Council is allowing restoration in all such cases where recruitments have been found to be in order.

Several institutions in Maharashtra State have also submitted their appeals to the Council before 30th June, 2005 which have since been decided and decision regarding restoration duly conveyed to the State Government. However it has been observed that several institutions in Maharashtra State have continued to send the appeals till 7th July, 2005 for restoration in accordance with Council's Policy to entertain such appeals.

The Council has examined the appeals received till 7th July, 2005 from institutions in Maharashtra State and found that the following institutions are eligible for restoration in terms of the policy applied to all the States for the year 2005-06. Detailed information is given in enclosed Annexure-I for existing institutions and Annexure-II for new institutions.

The State Government may like to take an appropriate view in the matter in the light of the directions of the Hon'ble High Court of Mumbai in the writ Petition No. 3916/2001

Sub: Extension of approval to FR. CONCEICAO RODRIGUES COLLEGE OF ENGG, FATHER ANGEL ASHRAM, P.B. NO.: 6656, BUS STAND, BANDRA(W), BOMBAY - 400 050, for the year 2005-06-reg.

As you are aware, All India Council for Technical Education has been mandated under the AICTE Act, 1987 to ensure **maintenance of norms and standards** with regard to technical education in the country. In exercise of this mandate, the Council insists on fulfillment of the minimum requirements prescribed for imparting technical education by the institution so that **quality** is not compromised and stakeholders are satisfied. The Council also undertakes an **annual Inspection** of the institutions and conveys deficiencies to them for **rectification**.

It has been observed however that notwithstanding the Council's **repeated advice** to comply with minimum norms and standards, many institutions continue to be **complacent** about taking steps to remedy the deficiencies. Such institutions suffer from **critical deficiencies** of faculty and other requirements. Feedback of students with regard to quality of education imparted by such institutions has evoked grave concern. The Expert Committees, following **holistic appraisal** during inspections, have also pointed out severe shortcomings in key areas.

Your institution has several deficiencies, which are listed in **Annexure-A** for your perusal. These deficiencies have rendered the institution liable for strict punitive action. However, the Council has decided to take a lenient view and put only the course(s) which suffer from the most critical deficiency i.e. **shortage of faculty** in the reduced intake category. The approved course(s) along with recommended intake for the year 2005-06 in respect of **FR. CONCEICAO RODRIGUES COLLEGE OF ENGG, FATHER ANGEL ASHRAM, P.B. NO.: 6656, BUS STAND, BANDRA(W), BOMBAY - 400 050,** is as under:-

COURSE (S)	APPROVED INTAKE 2004-05	APPROVED INTAKE 2005-06
PRODUCTION ENGINEERING	60	60
ELECTRONICS ENGINEERING	60	60
COMPUTER ENGINEERING	120	90
INFORMATION TECHNOLOGY	30	30
M.E. - MECHANICAL ENGINEERING	18	18
M.E. - ELECTRONICS ENGINEERING	18	18
M.E. - PRODUCTION ENGINEERING (PT)	10	10
TOTAL	316	286

Note:- Additional intake / new courses / PIO quota not granted on account of deficiencies in running of existing courses with existing sanctioned intake (wherever applicable).

The Council is committed to facilitating the institutions to come up to the expectations of the stakeholders through rectification of deficiencies. It has therefore been decided by the Council to give yet another opportunity to rectify at least the deficiency of faculty irrespective of the cadre ratio for consideration of restoration of UG course(s) in Engineering & Technology / Pharmacy / MBA and MCA. However, for restoration of intake at PG level in Engineering & Technology and Pharmacy, a minimum of one faculty with Ph.D. qualification and two with postgraduate qualifications in the respective discipline would be essential.

In case the institution is able to recruit the required faculty for individual course and intimate the Council regarding the same in the **enclosed Proforma (with a copy to the concerned Regional Office)** latest by 7th July, 2005, the Council would favorably consider proportionately restoring intake in course(s) where it has been reduced as soon as the appeal received by the Council.

Please note that the Council may independently verify the factual status in respect of recruitment of faculty. The institution shall be liable for strict action including action under the relevant provisions of Indian Penal Code in case false information is furnished to the Council on recruitment of faculty.

It may also be noted that relaxation in respect of rectification of deficiencies in terms of faculty is applicable only for the purpose of **restoration of intake** for the academic year 2005-06. All other deficiencies including appointment of faculty have to be complied with by 31/08/2005 for extension of approval for the year 2006-07.

A compliance report indicating rectification of **all the deficiencies** including details of faculty recruited for each course must be received by the Council latest by 31st August, 2005 to entitle your institution for extension of approval for the year 2006-07. The compliance report must be accompanied with a visiting processing fee as prescribed by the Council in the form of a demand draft in favour of Member Secretary, AICTE payable at New Delhi. In the absence of the processing / visiting fee, the compliance report may not be entertained.

Following the compliance report, the Council would verify the status in respect of rectification of deficiencies through physical inspection without any prior intimation. The institution should therefore be prepared for random inspection without any prior notice. Extension of approval for the year 2006-07 shall be dependent on the compliance report and the outcome of the surprise inspection.
